Overview

Any incoming freshmen may apply for this scholarship if they meet the criteria.

NBC’s mission statement is “*developing passionate followers of Jesus Christ with a heart to serve.*” As we anticipate our students growing as servants while at NBC, we also want to recognize those who have already chosen to go down the path of showing a heart to serve. We value quality students, and aim to entice those who have been serving faithfully in community or ministry-related roles to attend NBC for a year or more to continue growing and maturing as followers of Christ.

Criteria

- The qualifying applicant will have been involved in at least one but ideally 2 or more servant roles over the past 2 years. If just one role it needs to be a substantial role. Qualifying roles may include things like Sunday School teaching, youth group sponsor or leading, being part of a regular church music team, church custodian or other un-paid but regularly recurring church roles. Qualifying roles may also be with community or para-church organizations. Or, they could be something self-driven, such as visiting or serving in a local Senior’s home regularly over the past year(s).
- The applicant will provide references (supervisors/adults) you have served under in the roles you are listing below. NBC reserves the right to decide which applicant, if any, can receive this scholarship. A maximum of two (2) students will receive this scholarship annually, which will be awarded to those most deserving.

Deadline and additional details:
