New Believer Entrance Scholarship Application - $1000

Overview

Any current applicants to NBC (freshmen) may apply for this scholarship if they meet the criteria.

NBC wishes to recognize an incoming student who may have become a believer recently, who especially comes from an un-churched or non-Christian background, there-by increasing the likelihood they would be receiving little or no support from family, friends, or even a home-church to pursue Biblical education and growth at NBC. Often in such cases it can be difficult to raise finances needed to attend Bible College.

Criteria

- The qualifying applicant will not have been a Christian for more than 3 years. Some exceptions could be considered on a case-by-case scenario.
- while those who have grown up in a Christian family or setting may be considered for this scholarship in certain circumstances, it is the goal of NBC and this scholarship to be an encouragement and help to one who is likely coming out of a home where at least one or both parents are not believers or showing any external sign of faith in Christ. In the case of mature students (25+), we will consider your parent situation less and your individual story and setting more.
- The successful applicant will attach on a separate piece of paper a 200 word explanation of their family and Christian background and why they feel they should be considered for this scholarship. We may contact your Christian reference to vouch for your character and the place you are at in your walk with God.

Deadline

- those applying must fill out this form completely and send it to us by July 15th. A second semester student may apply for this scholarship by November 15th. This scholarship amount ($1000) will be applied to your student account in your 2nd semester of studies. The qualifying applicant must have maintained a 2.3 GPA.
