Camp Ministry Scholarship

An Nipawin Bible College Partnership with Bible Camps

Purpose

Nipawin Bible College values the importance of making disciples of Jesus Christ. As a result, we believe strongly in the vital role of Bible Camps. To that end we offer a partnership with willing Bible Camps, to provide financial support for those who wish continue their involvement in camp ministry and receive Bible College training.

Details

Staff serving at a given Bible Camp during the summer and who attend Nipawin Bible College the following fall are eligible to receive up to a \$750 scholarship from the participating Bible Camp, which is then matched dollar for dollar, up to \$750 by NBC. Thus, the maximum overall Camp Ministry scholarship is \$1500.

Please note that the principle behind this scholarship is for it to be over and above (not in place of) regular camp wages, whether that is an hourly wage, weekly or monthly stipend, summer honorarium, etc. As NBC is practicing additional financial commitment with this scholarship, the expectation would be for you to do the same as we promote Camp ministry and Bible training.

Criteria

- Applicants must be approved by the Camp Director for this Scholarship and must serve at the Bible Camp a minimum of 3 weeks. Each Bible Camp can decide if they wish to do a full \$750, or a lesser amount based on budget or time served.
- Applicants must register as a full time Student at NBC for the year in which the scholarship is to be awarded. This Camp Scholarship will be applied to the student's overall fees for 2nd semester, beginning in January.
- Applicants may be required to do some sort of reasonable amount of follow-up or reporting to the Camp during the NBC school year. This will a personal arrangement between the Camp and the NBC student and will not be monitored or enforced by NBC. A student not fulfilling an agreement with a camp should not expect that the camp will be willing to grant scholarships in subsequent years.
- Applicants must attain a GPA of 2.0 during the 1st semester to have this Camp Scholarship applied to their account. A maximum 5 students will receive this matching scholarship from NBC each year, though a camp is still able to give funds towards a student even if NBC is not matching the amount.

Application Process

After receiving approval for this scholarship from the Director please submit this application to NBC by July 15th of the year you are planning to attend NBC. If you haven't already, it would be beneficial to fill out an NBC application form and send it in prior to or along with the attached scholarship application form.
