COURSE DESCRIPTION

Focusing on the Bible passage of Titus 2 which teaches God's design and purposes for women's ministry, this interactive course encourages the student to learn, internalize, and practice His ways as it relates to being a godly woman who is engaged in a lifestyle of ministry. This course will encourage and equip women with the strategy God has given the church for one generation of women to "tell to the coming generation the glorious deeds of the Lord, and His might, and the wonders that He has done" (Psalm 78:4).
