

Alumni of NBC,

Hello Alumni! In case you were not able to attend this last year's Alumni Weekend I hoped to share a few highlights.

We had a good turn out this year and raised a total of **\$9,738.50 toward this years Alumni Project: 4-plex cabinetry**. We are grateful for the alumni who came and gave toward NBC. We had excellent speakers, drawing from our newer staff members at NBC.

Many Alumni stated that the newest activity, "**The Alumni Network**" was a very useful and enjoyable part of the weekend. We split up as small groups, according to years attended, to talk intentionally about what is going on in our lives. Struggles and joys were brought forward with time to pray over each other. This activity encompassed what we as the Alumni Executive get excited to hear about and we are glad it was taken advantage of by the Alumni in attendance.

I want to acknowledge our *Alumni of the Year* awards for 2021. We recognized **Stephen Epp** (NBC '10) for *Dedicated Service to NBC*, and **Terry & Rosie Banman** (NBI '88) for *Faithfulness in Ministry*. Thank you to all Alumni who are persistent in using their God-given gifts in service to Him.

I encourage all Alumni who wish to see the ministry of raising up Christian leaders continue, to give financially to NBC. **Many Hands** is the name of the Pre-authorized giving program at NBC. Every little bit helps and I would encourage you to become financially invested with Nipawin Bible College!

We praise God for His new mercies today and thank him for even difficulties and trials.

"Count it all joy, my brothers, when you meet trials of various kinds, for you know that the testing of your faith produces steadfastness. And let steadfastness have its full effect, that you may be perfect and complete, lacking in nothing." James 1:2-4

Alumni Weekend 2022 will take place November 18-20. Look for more details in the coming months.

Sincerely,

Josh Lees
