## ***COURSE DESCRIPTION***

Establish is a foundational disciple-making series that begins in Genesis and ends in Revelation. It seeks to provide a relational structure to disciple-making so that ALL people are established in Christ and empowered to disciple. This brings to Canada what Ethnos Canada and their Global Partners have been doing for the past 40+ years as they've planted indigenous New Testament churches around the world.

The course utilizes multiple resources to tie the whole of God's Word together revealing the grand picture of God's Story.

## ***THE BIG QUESTION***

How can I make disciples who truly understand the Gospel, and in all of life are increasingly: worshiping God, being transformed by Him, obeying Him and discipling others to do the same, within any context in Canada?

## ***LEARNING OUTCOMES***

By the end of the course, students will be able to:

1. Understand the biblical approach to foundational, chronological disciple-making.

2. Apply a proven disciple-making strategy wherever God leads them – personally, in church, or beyond.
3. Express confidence in how to disciple foundationally.
4. Describe the advantages and challenges of foundational, chronological disciple-making in their own contexts.
