PROGRAMS

1

YEAR PROGRAM

FOUNDATIONS FOR LIFE

Establish and strengthen a foundation for Christian living by being discipled and growing in your knowledge, character, and relationship with God. The Foundations for Life program is designed as a foundational discipleship year, which will equip the student with a solid biblical basis from which to pursue a career, vocational training, or university studies. The focus is on personal Christian growth, a foundational understanding of the Bible, and life application.

Foundations for Life

Deacon's Track

The Foundations for Life Deacon's Track is designed for those who might wrestle with meeting academic requirements in the original Foundations for Life program. These students take the same classes, but receive different syllabi. With tempered academic expectations and homework, Deacon's Track students are then placed into local vocational settings for 10 hours a week to grow in practical life skills.

2

YEAR PROGRAM

CHRISTIAN MINISTRY DIPLOMA

Develop a maturing Christian character and passionate commitment to servant leadership in your church, workplace, and community. Upon completion of the two year program requirements, students will receive a Christian Ministry Diploma. This program is designed for those who anticipate ministry in their local church or simply want a solid base for further vocational training. The focus is on knowledge of the Scriptures, appreciation for the local church, and skill development for church ministry.

*Note: *The Christian Ministry Diploma is also available as a part of the Deacon's Track.*

NBC cultivates scriptural **conviction** and **competence** through practical, relevant teaching. Our programs are designed to root beliefs and convictions in the Scriptures, with breadth of understanding and sound interpretation. Our instructors teach for change, addressing practical and current life issues. NBC believes this is key to applying Scripture to life and reaching others with the truth of God's Word.

3

YEAR PROGRAM

**BACHELOR OF
CHRISTIAN MINISTRY**

Apply what you are learning as you begin to take on greater responsibility and leadership at the college, local churches, and other ministries. The Bachelor of Christian Ministry program offers an increasing degree of knowledge and leadership development as it builds onto the Christian Ministry Diploma courses (years 1 and 2). The program objectives are: a competent knowledge of Scripture, an attitude of servant leadership, and skill development for Christian ministry.

4

YEAR PROGRAM

**BACHELOR OF ARTS IN
BIBLICAL STUDIES**

Lead others as you serve in a 12 credit-hour internship focused on forming godly character, growing in practical knowledge, and gaining ministry skills. This program is designed for those anticipating involvement in ministry, whether full-time or lay ministry, and in leadership roles. The student will be further equipped to understand and communicate God's Word, counsel and nurture others, and provide Christ-like leadership. This program will equip the student with sound Bible knowledge and provide a base for those wishing to pursue further studies.

DISCIPLESHIP & DEVELOPMENT

It is our desire that each student at NBC would **grow in the grace and knowledge of the Lord Jesus Christ**, allowing the Word of God to permeate each area of their lives, joyfully submitting to His will, and walking by His Spirit. This is encouraged through **discipleship** and **spiritual disciplines**. We believe the cultivation of strong spiritual disciplines, particularly Bible reading and prayer, in fellowship with the Body of Christ, is essential for spiritual growth.

I learned how to apply Scripture into my everyday life.

Humboldt, SK (current NBC student)

INTENTIONAL DISCIPLESHIP

Discipleship is integral to NBC. It happens through teaching and relationships: in the classrooms, the dorms, the soccer field, the dining hall, etc. Our 7-24 small groups meet weekly with the purpose of moving every student from disciple to disciple-maker.

LEADERSHIP GROWTH

Opportunities to grow in leadership abound through residence leadership, student council, chapel teams, internships, student ministries and more. Practically applying God's Word by serving together promotes growth and learning.

THREE60FIVE

NBC's youth retreats, three60five and three60fiveJUNIOR, encourage and challenge youth from across the prairies. These are high-energy weekends aimed at spiritual growth, and provide servant leadership opportunities for our students.

COMMUNITY LIFE

Strong Church Connection. Life-Changing Relationships.

CHURCH INVOLVEMENT

NBC is committed to cooperating and integrating with the ministry of the local church. This connection to a local church is vital, especially as we seek to send out students better equipped to love and serve in their own local churches. Therefore, all staff and students are expected to attend a local church while at NBC. Students have the opportunity to apply what they are learning as they participate in fellowship and service.

DAILY CHAPELS

Chapels facilitate worship through music, prayer, Scripture reading, and challenges from various guest and in-house speakers.

HOME GROUPS

These groups meet in staff homes throughout the year to cultivate community outside the classroom.

STAFF & FACULTY

Our staff consistently have their doors open, ready to help.

STRENGTH IN SIZE

As a smaller Bible school, the setting is intimate and encourages the entire student body to connect with staff, faculty, and each other.

Watch student testimonial videos here:

ROYALS wRECK

Students may participate in flag football, soccer, dodgeball, floor hockey, volleyball, basketball, and more. Royals wRECK offers 6-8 week mini-seasons for each sport, allowing students to tailor their athletic involvement to their interests and availability.

NBC VARSITY SPORTS

NBC strives to offer varsity basketball and indoor soccer/futsal for both men and women. Teams will be offered based on student interest each year. NBC varsity teams will typically play in 2-3 weekend tournaments per year, in addition to regular practices and participating in local leagues or games.

NIPAWIN INDOOR SOCCER LEAGUE (NISL)

The co-ed community league has been based at NBC since 1992 and is hosted in NBC's own Rempel Auditorium. It provides competitive soccer from October through March each year.

One thing that really made a difference for my kids was the way that they were mentored.

Glenda Lees (parent to 5 NBC students over 14 years)

MISSIONS & MINISTRY

Through our emphasis on **missions** and **personal ministry**, students get practical experience **sharing the gospel** courageously and faithfully with grace and truth. At NBC, we want our students to learn and grow as they faithfully and obediently serve the Lord in real life contexts.

The community here was crucial to my growth through being challenged and encouraged in my walk with the Lord.

Makenna Abrahamson

Kelvington, SK (current NBC student)

FRESHMEN MINISTRY PRACTICUM (FMP)

Freshmen students are divided into teams and sent throughout the province on a week-long missions trip to serve in various ministries and camps. Under the leadership of NBC staff and veteran ministry/missionary leaders, they learn about ministry, teamwork, and the needs within the communities they serve.

STUDENT MINISTRIES

Each week, students engage in ministry contexts in Nipawin and area: youth ministry, children's ministry, senior's visitation, First Nations outreach, music, drama, and more. This opportunity to apply classroom learning to world realities is vital for developing servant leaders.

OUTREACH MINISTRY PRACTICUM (OMP)

This week-long missions trip is structured and led in the same way as FMP. However, it is designed for second year students, with the intent of exposing them to a broad range of ministry opportunities and needs in Canadian urban, and cross-cultural settings.

MISSION PARTNERSHIP

One of Nipawin's core values, is strategic partnership. We believe all students should be part of the great commission through going or sending. NBC has a full-time Ethnos Canada rep on staff, who oversees the annual NBC Missions Conference. Students have opportunity to meet missions reps personally, hear about gospel needs all around the world, and put themselves in a position to discern God's missional direction in their lives moving forward.

FINE ARTS

At Nipawin it is our desire to cultivate a culture of **servanthood**. In following Jesus we seek to serve like Him, resulting in a heart to serve others with compassion and commitment.

FACEDOWN

An auditioned team of various instruments and voices, FaceDown leads praise and worship at youth and church events throughout the year and during a 10-14 day spring tour. They are the house band for three60five and a few other college events. Students serve and grow in their musical abilities and team ministry skills.

CHAPEL TEAMS

There are opportunities for all voice and instrument types to use their gifts and develop their musicianship and skills in leading worship in our chapels and other college events.

LIVING PROOF

Living Proof uses drama to serve and share the gospel. This auditioned team learns and serves together at various venues. These may include Christmas Cantata, three60five, three60fiveJUNIOR, NBC Dessert Theatre, schools, reserves, inner-city missions, and youth and church events. Living Proof also typically participates in a spring tour.

MUSIC LESSONS

Private piano lessons are offered by college faculty.

CHRISTMAS CANTATA

All voices and multiple instruments can find a role in our annual Christmas celebration. College and community members of the choir, accompanying musicians, and drama team rehearse throughout first semester to present a Christmas celebration open to all.

CAMPUS

Nipawin Bible College is located on the edge of the prairies, where rich farmland meets the boreal forests of the north, with majestic views of the Saskatchewan River. Our campus becomes a home away from home for students.
